A Woman's Worth By Marianne Williamson

With A WOMAN'S WORTH, Marianne Williamson turns her charismatic voice--and the same empowering, spiritually enlightening wisdom that energized her landmark work, A RETURN TO LOVE-- to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society. Cutting across class, race, religion, and gender, A WOMAN'S WORTH speaks powerfully and persuasively to a generation in need of healing, and in search of harmony.

Editorial Review

From Publishers Weekly

Williamson (*A Return to Love*) here tells women that they are goddesses with cosmic functions. A weakness: she often lets women hear what they want to hear--how "special" they are, how beautiful, how close to nature. When she draws from her own experience, Williamson gives sound, empowering advice on relationships, work, love, sex and childrearing. Still, her soft focus on the so-called feminine virtues, including that of assuming the submissive role during sex, often seems reactionary and contradictory, as when she argues that women were meant to be passive, but later claims that woman should assert their power. This mix of the mystical, the modern (Williamson says one of her old boyfriends left her for a "bimbo") and the Christian could be called visionary--but the combination doesn't always make sense, as in this statement: "Our Kingdom is our life and our life is our Kingdom. And we are all meant to rule from a glorious place." Author tour.

From Library Journal

This is essentially a feel-good book, meant to inspire and empower women to take control over their lives and help return the world to the feminine qualities from which it has strayed. As in Williamson's best-selling first book, *A Return to Love* (LJ 1/92), love is the key. Although Williamson's message is admirable--who among us is against the prospect of a world order based on love and understanding with an end to all that is antithetical?--many readers will be put off by the means she posits to that end. Most women do not think in terms of growth from girl to princess to queen to goddess. In addition, her assumption that all women intuitively know what is right is at best optimistic. This work could serve as a starting point for those who have difficulty approaching the concept of feminism. The success of Williamson's first book indicates New Age enthusiasts will be attracted here; anticipate demand where the first was popular. Previewed in *Prepub Alert*, LJ 1/93.

From Kirkus Reviews

"In writing this book I have no purpose other than a creative spill of my own guts," proclaims Williamson at the start of these seven inspirational essays aimed at resurrecting the sacred feminine in today's women. Readers of the author's mega-selling *A Return to Love* (1992) know that her guts spill rather messily, the point of the effluence being not so much to inform through logic and hard data as to transport to new spiritual heights on a torrent of upbeat chit-chat. So, here, readers will find themselves responding--perhaps off the page but most certainly on ("What?" you say. "Me, a priestess?")--to Williamson's exhortations that they put aside the deadening constrictions of patriarchy and "embark on a quest for our own enchantment." Williamson covers issues such as image, sex, gender-biased language, abortion, emotional masochism ("Yuk. How sick. Yet how familiar"), etc., all the while urging her "girls" to release their passions and to realize the "power of our womanly knowingness" as they meditate and pray to both "God" and "the Goddess." (Williamson is, of course, a fervent student of the "channeled" mystical-religious teachings known as *A Course in Miracles*). It's a familiar yet enduringly potent message, delivered in frank, elbows-on-the-table style that's likely to see an extraordinary number of readers sharing the author's thoughts and then chanting, as she does, "We are about to break free. We are about to be born. We have seen the shining. We have seen. We have seen." -- *Copyright ©1993, Kirkus Associates, LP. All rights reserved.*

Users Review

From reader reviews:

James Reed:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite e-book and reading a guide. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled A Woman's Worth. Try to make the book A Woman's Worth as your close friend. It means that it can to be your friend when you sense alone and beside that course make you smarter than ever. Yeah, it is very fortunated for you personally. The book makes you more confidence because you can know almost everything by the book. So , let us make new experience as well as knowledge with this book.

Paulette Rodriguez:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is within the former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take A Woman's Worth as the daily resource information.

Lucas Florio:

Do you have something that that suits you such as book? The e-book lovers usually prefer to opt for book like comic, quick story and the biggest the first is novel. Now, why not seeking A Woman's Worth that give your entertainment preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world a great deal better then how they react to the world. It can't be explained constantly that reading habit only for the geeky man or woman but for all of you who wants to possibly be success person. So , for all you who want to start reading through as your good habit, you can pick A Woman's Worth become your personal starter.

Herman Hernandez:

This A Woman's Worth is great reserve for you because the content which is full of information for you who all always deal with world and possess to make decision every minute. That book reveal it facts accurately using great arrange word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having A Woman's Worth in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen tiny right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. hectic do you still doubt that will?
