Before I Wake By Dee Henderson

The sheriff of Justice, Illinois, is hunting a killer. Women visiting town are being murdered, tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills—they go to sleep and never awaken. The sheriff is not pleased to find the new detective in town, Rae Gabriella, working the case on behalf of one of the families. She's staying in the same hotel as one of the victims—and her looks suggest she could be the next victim.

Editorial Review

From the Back Cover

Welcome to Justice . . .
And good luck leaving alive.

Sheriff Nathan Justice loves the town he serves. Founded by his family generations before, Justice, Illinois, is mostly a peaceful place. But the tranquility has just been shattered.

Women visiting Justice are being murdered. Tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills-they go to sleep and never awaken.

Rae Gabriella left the FBI after an undercover investigation turned terribly wrong. She's seeking to rebuild her life, and working as a private investigator alongside her former boyfriend Bruce Chapel in Justice, Illinois, seems like a place to start. But she suspects finding some peace and restoring her shaken faith will take more than just a change of location.

The sheriff is not pleased to find Rae working a case on behalf of one of the victims' families. Rae is staying in the same hotel where one of the women died, and her looks suggest she could be the next victim. Now that Bruce, Rae, and Nathan are forced to work around each other, the situation is threatening to become something much more personal . . . and it will test the faith of everyone it touches before it is over. . . .

About the Author

Dee Henderson is the author of fourteen best-selling novels including the acclaimed O'Malley series and the Uncommon Heroes series. Users Review

From reader reviews:

Daniele Vaugh:

Before I Wake can be one of your beginning books that are good idea. We all recommend that straight away because this guide has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort that will put every word into enjoyment arrangement in writing Before I Wake but doesn't forget the main stage, giving the reader the hottest and also based confirm resource information that maybe you can be one of it. This great information can certainly drawn you into fresh stage of crucial imagining.

Lucille Grant:

Many people spending their period by playing outside using friends, fun activity together with family or just

watching TV all day long. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smart phone. Like Before I Wake which is getting the e-book version. So , why not try out this book? Let's view.

Wendy Clark:

This Before I Wake is brand new way for you who has fascination to look for some information as it relief your hunger of information. Getting deeper you into it getting knowledge more you know or you who still having little bit of digest in reading this Before I Wake can be the light food in your case because the information inside this kind of book is easy to get simply by anyone. These books create itself in the form and that is reachable by anyone, yep I mean in the e-book application form. People who think that in book form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book sort for your better life and knowledge.

Eliza Gold:

What is your hobby? Have you heard that question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you know that little person including reading or as reading through become their hobby. You need to understand that reading is very important and also book as to be the issue. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them is niagra Before I Wake.
