Biblical Hermeneutics By Grant Lovejoy

Biblical Hermeneutics is a textbook for introductory courses in hermeneutics. It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus: the history of biblical interpretation, philosophical presuppositions, biblical genre, the uniqueness of Scripture, the practice of exegesis, and use of exegetical insights that will be lived and communicated in preaching and teaching.

Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation. It provides, in one volume, resources for gaining a working knowledge of the multi-faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student. The first chapter "A Student's Primer for Exegesis" by Bruce Corley gives the student a bird's eye view of the entire process. It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis.

This revised edition of *Biblical Hermeneutics* contains seven new chapters that deal with the major literary genre of Scripture: law, narrative, poetry, wisdom, prophecy, Gospels and Acts, epistles, and apocalyptic. The unique nature of Scripture is presented in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices, "A Student's Glossary for Biblical Studies" and an updated and expanded version of "A Student's Guide to Reference Books and Biblical Commentaries."

Users Review

From reader reviews:

Luis Herrick:

The book Biblical Hermeneutics can give more knowledge and information about everything you want. Why must we leave a good thing like a book Biblical Hermeneutics? Several of you have a different opinion about publication. But one aim that book can give many data for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or facts that you take for that, it is possible to give for each other; you may share all of these. Book Biblical Hermeneutics has simple shape but you know: it has great and massive function for you. You can look the enormous world by available and read a book. So it is very wonderful.

Robert Monson:

As people who live in the particular modest era should be revise about what going on or information even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to an individual is you don't know what one you should start with. This Biblical Hermeneutics is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Steven Hackett:

The reason? Because this Biblical Hermeneutics is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

Rodney Natale:

Biblical Hermeneutics can be one of your nice books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort that will put every word into pleasure arrangement in writing Biblical Hermeneutics yet doesn't forget the main stage, giving the reader the hottest in addition to based confirm resource information that maybe you can be one among it. This great information may drawn you into completely new stage of crucial thinking.
