Conspiracy of Blood and Smoke By Anne Blankman

Acclaimed author Anne Blankman returns to the shadowy and dangerous world of 1930s Germany in this thrilling sequel to *Prisoner of Night and Fog*, perfect for fans of *Code Name Verity*.

The girl known as Gretchen Whitestone has a secret: She used to be part of Adolf Hitler's inner circle. More than a year after she made an enemy of her old family friend and fled Munich, she lives in England, posing as an ordinary German immigrant, and is preparing to graduate from high school. Her love, Daniel, is a reporter in town. For the first time in her life, Gretchen is content.

But then Daniel gets a telegram that sends him back to Germany, and Gretchen's world turns upside down. When she receives word that Daniel is wanted for murder, she has to face the danger she thought she'd escaped—and return to her homeland.

Gretchen must do everything she can to avoid capture, even though saving Daniel will mean consorting with her former friends, the Nazi elite. And as they work to clear Daniel's name, Gretchen and Daniel discover a deadly conspiracy stretching from the slums of Berlin to the Reichstag itself. Can they dig up the explosive truth and get out in time—or will Hitler discover them first?

Editorial Review

From School Library Journal

Gr 8 Up—Using false identities, Gretchen Whitestone and Daniel Cohen barely escape to England as the Nazis come to power in Germany. Gretchen, now Gisele, is living with Dr. Whitestone and his family, finishing high school with the goal of becoming a psychoanalyst. Meanwhile, Daniel is frustrated working for a society column that publishes meaningless news, yearning for the work he did back home. Living in safety, they can't help but feel powerless as they hear of the terrible events unfolding in Germany. Then Daniel receives a disturbing telegram that forces him to return despite the risks. When Gretchen receives news that Daniel is wanted for murder, she knows she must face her greatest fears in order to save him. As the Nazi net tightens its grip around the pair, they find allies in the most unlikely of places. This leads to information that will not only clear Daniel's name but could taint the credibility of Hitler and the Nazi party. In the sequel to *Prisoner of Night and Fog* (HarperCollins, 2014), Blankman once again expertly crafts a powerful story full of mystery, intrigue, romance, and edge-of-your-seat terror and suspense. The well-researched plotlines are fascinating, while the multidimensional cast of characters drive the story. Readers will root for Gretchen and Daniel as they place themselves in danger while fighting to uncover the truth. VERDICT A captivating historical fiction title with an author's note for reference.—Donna Rosenblum, Floral Park Memorial High School, NY
