Q&A with Roland Smith, Author of *I, Q, Book Three: Kitty Hawk*

We've heard that *I, Q, Book Three* will be releasing in the fall [2012]. Where does it take place?

Q, Angela, and the SOS team are in hot pursuit of the president's daughter, which leads them to the mysterious Outer Banks of North Carolina during a freak hurricane.

The other two plots [of Book One and Book Two] occurred in major cities (Philadelphia and Washington, DC). Why did you decide to move the story to a small town?

The first two books take place next to two famous historical sites, which just happened to be in major cities. In the third book there is another historical site: Kitty Hawk, where the Wright brothers flew their first airplane. Not all historical sites are in major cities.

How have Q and Angela changed in Book Three?

You'll have to wait to read the book to find out.

Does Q still like magic?

Absolutely, and he has a few tricks up his sleeve in Book Three.

Can you give us a hint about what happens to the president's daughter?

That would be a huge spoiler. Suffice it to say that she is in big trouble, and if Q and Angela don't reach her, things will go from *big* to *gigantic* trouble.

Do you have a favorite character in the series?

Truthfully, I like all of the characters in my books. Even the bad guys to some extent, if for no other reason than they are interesting.

Does the series end with Book Three?

Uh... no. There will be more books in the series, but you'll have to wait for the announcement. We're working out some details. As soon as we do, we'll let you know what is going on with the rest of the adventure.
