Love: What Life Is All About By Leo F. Buscaglia

This book is about love. What it is and what it isn't. It is about you--and about everybody who has ever reached out to touch the heart of another. Among many other lessons of the heart, Leo Buscaglia reminds us: Love is open arms. If you close your arms about love you will find that you are left holding only yourself.

From the Paperback edition.

Users Review

From reader reviews:

Richard Vazquez:

Nowadays reading books be than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want have more knowledge just go with knowledge books but if you want really feel happy read one having theme for entertaining such as comic or novel. The particular Love: What Life Is All About is kind of publication which is giving the reader unstable experience.

Deana Broom:

Often the book Love: What Life Is All About will bring someone to the new experience of reading some sort of book. The author style to spell out the idea is very unique. If you try to find new book to read, this book very suitable to you. The book Love: What Life Is All About is much recommended to you you just read. You can also get the e-book from official web site, so you can easier to read the book.

Robert Bell:

Your reading sixth sense will not betray a person, why because this Love: What Life Is All About guide written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still skepticism Love: What Life Is All About as good book not just by the cover but also by content. This is one book that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

Rick Briones:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information from your book. Book is published or printed or outlined from each source that filled update of news. In this

modern era like today, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just seeking the Love: What Life Is All About when you desired it?
