Prison Writings: My Life Is My Sun Dance By Leonard Peltier

Edited by Harvey Arden, with an Introduction by Chief Arvol Looking Horse, and a Preface by former Attorney General Ramsey Clark.

In 1977, Leonard Peltier received a life sentence for the murder of two FBI agents. He has affirmed his innocence ever since--his case was made fully and famously in Peter Matthiessen's bestselling *In the Spirit of Crazy Horse*--and many remain convinced he was wrongly convicted. *Prison Writings* is a wise and unsettling book, both memoir and manifesto, chronicling his life in Leavenworth Prison in Kansas. Invoking the Sun Dance, in which pain leads one to a transcendent reality, Peltier explores his suffering and the insights it has borne him. He also locates his experience within the history of the American Indian peoples and their struggles to overcome the federal government's injustices.

Editorial Review

From [Booklist](#)

American Indian Movement (AIM) activist Peltier, arrested more than two decades ago on charges stemming from conflict with the FBI on the Pine Ridge Reservation in South Dakota, has become a symbol of the oppression of Indians and other indigenous people. Indeed, he is perhaps the most famous inmate in the U.S., regarded by many as a political prisoner, with Robert Redford, author Peter Mathiesson, former U.S. attorney general Ramsey Clark, and others calling for his release. He remains incarcerated, often in horrific conditions. As if engaged in the sun dance, in which apparently unendurable sufferings are embraced as a spiritual testimony, Peltier writes of his life, before and behind bars, with anger but not rancor. Since his youth as a warrior, he has become a spiritual elder whose words offer much to Indians and non-Indians alike. "We don't need more prisons," he writes. "We need more compassion. That compassion is our own highest possibility." His own simple, eloquent compassion for his captors as well as himself makes this a remarkable and moving book. *Patricia Monaghan*

From Kirkus Reviews

Part manifesto, part memoir, a standout collection by the celebrated, long-imprisoned American Indian Movement co-founder and activist. Peltier, a Sioux Indian, has been in federal prison since 1977, convicted of killing two FBI agents during the 1973 siege at Wounded Knee, S.D. Peltier asserts that he did not commit these murders, writing simply, Innocence has a single voice that can only say over and over, I didnt do it. Guilt has a thousand voices, all of them lies. (In his preface, former attorney general Ramsey Clark makes a compelling argument for why we should believe Peltier, a case also made by Peter Matthiessen in his much-litigated book *In the Spirit of Crazy Horse*). In this anthology, Peltier charts the course of his activism, describing his evolution from a young man on a South Dakota reservation who wanted what other young men in his circumstances wanted a car, a job to a political organizer keenly aware of the injustices visited past and present on Americas indigenous peoples. Although he too easily falls into sloganeering (We are the voices of the earth. We speak for those who are not yet born. When you exclude us, you exclude your own conscience. We are your conscience!), Peltier has much to say about American Indian politics, a dauntingly complex set of issues; among other things, he insists that the US government follow a Canadian model in offering reparations for historical wrongs. He also advances the plausible view that the siege at Wounded Knee was a sideshow meant to disguise a deal through which a uranium-rich portion of the Pine Ridge Sioux reservation was ceded to the federal government. Writing more personally, Peltier recounts the intricacies of living behind bars. As a houseguest in hell, he writes, you learn that the devil has many mansions, and you keep shuttling between them for no known reason. An important contribution to Native American letters, sure to stir both controversy and renewed attention for Peltiers ongoing quest for freedom. -- *Copyright ©1999, Kirkus Associates, LP. From the Publisher

"Listen to this fresh, brave voice, then inform yourself about the shameful case of Leonard Peltier." --Peter Matthiessen, author of *In the Spirit of Crazy Horse*

"This book takes the reader on an emotional and spiritual journey as Leonard Peltier's surprisingly hopeful reflections make the terrible injustice of his imprisonment for 24 years even more difficult to accept. Peltier's important journal details his trial and conviction which was based in part on admittedly false testimony and evidence so inconclusive that reasonable people everywhere have concluded that he should be granted clemency." - Wilma Mankiller, former chief of the Cherokee Nation, and author of *Mankiller*

"Leonard Peltier's words reveal a wise man who has become freer than his captors, despite his false imprisonment for a crime he did not commit. His thoughts here remind us of our true mission as Indian people, as human beings here on this humble, beautiful planet. These thoughts cannot be captured or locked behind bars, or destroyed by gunfire. They fly free." - Joy Harjo, Muskokee poet and musician, author of *The Woman Who Fell From the Sky*

"For too long, both Leonard's supporters and detractors have seen him as a metaphor, as a public figure worthy of political rallies and bumper stickers, but very rarely as a private man who only wants to go home. I pray this book will bring Leonard home." --Sherman Alexie, author of *Indian Killer*

"A deeply moving and very disturbing story of a gross miscarriage of justice and an eloquent cri de coeur of Native Americans for redress and to be regarded as human beings with inalienable rights guaranteed under the United States Constitution, like any other citizens. We pray that it does not fall on deaf ears. America owes it to herself." --Desmond M. Tutu, Archbishop Emeritus of Cape Town, South Africa, and Nobel Peace Laureate

"It would be inadequate to describe Leonard Peltier's *Prison Writings* as a classic of prison literature, although it is that. It is also a cry for help, an accusation against monstrous injustice, a beautiful expression of a man's soul, demanding release." --Howard Zinn, author of *A People's History of the United States*

"If you care about justice, read this brave book. If you care about the perpetuation of the white man's justice against the Native American, you must know the Leonard Peltier story." --Gerry Spence, author of *Give Me Liberty!*

Users Review

From reader reviews:

Edward Tuttle:

As people who live in the particular modest era should be up-date about what going on or facts even knowledge to make all of them keep up with the era and that is always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know which one you should start with. This *Prison Writings: My Life Is My Sun Dance* is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Keith McLeod:

Reading a book to be new life style in this calendar year; every people loves to study a book. When you study a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what forms of book that you have read. If you would like get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, in addition to soon. The *Prison Writings: My Life Is My Sun Dance* will give you a new experience in studying a book.

Ann Tuttle:

Beside that Prison Writings: My Life Is My Sun Dance in your phone, it could give you a way to get nearer to the new knowledge or data. The information and the knowledge you can get here is fresh from the oven so don't end up being worry if you feel like an previous people live in narrow small town. It is good thing to have Prison Writings: My Life Is My Sun Dance because this book offers to you readable information. Do you at times have book but you would not get what it's interesting features of. Oh come on, that will not happen if you have this inside your hand. The Enjoyable arrangement here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss that? Find this book in addition to read it from currently!

Scott Peters:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Prison Writings: My Life Is My Sun Dance can make you really feel more interested to read.
