The Library Policeman: Three Past Midnight (Four Past Midnight) By Stephen King

This is the third gripping tale in the four-part audio series from Stephen King's best-selling book *Four Past Midnight*. Set in Junction City, Iowa, *The Library Policeman* is the story of Sam Peebles, a middle-aged businessman who happens to have some overdue books. It seems a minor offense-but not to Junction City's malevolent monster of a librarian. What follows is spine-tingling suspense as only Stephen King can deliver it.

Editorial Review

From the Back Cover

Sam Peebles es un vendedor de bienes raíces que se ve en la necesidad de consultar en la biblioteca algunos tomos, sin imaginar siquiera que en esa pacífica biblioteca de Junction City, Iowa, se esconde un ente maligno con una capacidad mutante que solo Stephen King puede concebir. Atrevese a cruzar el umbral de lo desconocido y pongase a temblar cuando lo visite en su casa el policía de la biblioteca.

With its everything-but-the-kitchen-sink approach to horror, it's no small task to bring Stephen King's novella of ghosts and repressed memories to life. Ken Howard is up to the job, however, breathing life into the apparitions, psychic vampires, menaced children, possessed adults, and tense battles between good and evil that fill this story to the brim. It's more manic King than subtle King, but Howard keeps things grounded with the humanity of his characterizations. This makes the scares stand out even more when Howard pulls out the stops during the showpiece sequences. Originally released in 1991 to coincide with King's four-novella collection FOUR PAST MIDNIGHT, this is a worthy reissue for those who enjoy scary stories on audio.
