## The Princess Diaries: The Princess Diaries Volume 1 By Meg Cabot

'You're not Mia Thermopolis any more, honey,' Dad said. 'You're Amelia Mignonette Grimaldi Thermopolis Renaldo. Princess of Genovia.' A PRINCESS?? ME??? Yeah. Right. One minute Mia's a totally normal Manhattan 14-year-old. Next minute she's heir to the throne of Genovia, being trailed by a trigger-happy bodyguard, taking princess lessons with her bonkers old grandmere, and having a makeover with someone called Paolo. Well, her dad can lecture her till he's royal-blue in the face, but no way is Mia going to turn herself into a style-queen. And they think she's moving to Genovia? Er, hello?

## **Editorial Review**

### Amazon.com Review

Mia Thermopolis is your average urban ninth grader. Even though she lives in Greenwich Village with a single mom who is a semifamous painter, Mia still puts on her Doc Martens one at a time, and the most exciting things she ever dreams about are smacking lips with sexy senior Josh Richter, "six feet of unadulterated hotness," and passing Algebra I. Then Mia's dad comes to town, and drops a major bomb. Turns out he's not just a European politician as he's always lead her to believe, but actually the prince of a small country! And Mia, his only heir, is now considered the crown princess of Genovia! She doesn't even know how to begin to cope: "I am so NOT a princess.... You never saw anyone who looked less like a princess than I do. I mean, I have really bad hair... and... a really big mouth and no breasts and feet that look like skis." And if this news wasn't bad enough, Mia's mom has started dating her algebra teacher, the paparazzi is showing up at school, and she's in a huge fight with her best friend, Lilly. How much more can this reluctant Cinderella handle?

Offbeat Mia will automatically win the heart of every teenage girl who's ever just wanted to fit in with as little fuss as possible. Debut author Meg Cabot's writing is silly and entertaining, with tons of pop culture references that will make teens feel right at home within her pages. This is a wonderfully wacky read. (Ages 12 and older) --*Jennifer Hubert*

### From Publishers Weekly

A teenager living in modern-day Greenwich Village in New York City discovers that she is now the heir apparent to the throne in a European country, in this novel, soon to be a motion picture starring Julie Andrews. Ages 12-up.

Copyright 2001 Cahners Business Information, Inc.

### From School Library Journal

Grade 7-9-Insecure Mia Thermopolis, 14, discovers that she is actually Princess Amelia Mignonette Grimaldi Thermopolis Renaldo of Genovia. In her diary entries, which cover almost a month, she writes about going to a private school in New York City and living in Greenwich Village with her avant-garde artist mother. She fights with her best friend, struggles to pass algebra, and worries that she is the only one without a date for the Cultural Diversity Dance. On top of that, her divorced mother begins dating her teacher; her father visits and reveals that she is his heir; her intimidating grandmother gives her "Princess lessons"; and she has to contend with the embarrassment of having a bodyguard and reporters who follow her everywhere. Readers will relate to Mia's bubbly, chatty voice and enjoy the humor of this unlikely fairy tale. More accessible than, though perhaps not as clever as, Louise Rennison's *Angus, Thongs and Full-frontal Snogging* (HarperCollins, 2000), this funny, fast-paced book should appeal to hip young women, including reluctant readers.

*Debbie Stewart, Grand Rapids Public Library, MI*
