**From Amazon Romantic Suspense, Mystery Romance and Fantasy Bestselling Author Nicola Claire comes another exciting continuation of the Kindred Series.**

*"His lips met mine again, this time in a slow, soft caress, conveying everything he had just said in those beautiful words that had reached my very soul. I could have drowned in that kiss. I could have lived there for eternity. It filled me up with everything I needed to survive. He gave me life through his lips and I treasured it."*

Recovering from recent losses, Lucinda finds herself in a Dark place.

**She starts to doubt who she has become.**

She seeks reassurance that despite the Prophecy and what that has meant for her life, she is still remaining true to herself.

The American Families of Vampires close in on Lucinda and her kindred. There is one who insists Lucinda is his and none other's.

**He has not forgotten her and will do anything, anything at all to make her his.**

Loyalties are tested and fall short, and Lucinda must find the strength to fight for something she cannot even remember.

**But that is not all Lucinda must battle.**

The Queen of Darkness appears in amongst the mayhem to exact her plans for Dark's success and the final confrontation of Light and Dark comes to a head.

Without the steadfast support and love of her kindred, Lucinda would not be able to face what is to come, but still she holds something of herself back.

**Will she never give herself completely to Michel? And if she does, will it be enough to save her? And enough to save the Light from the Dark once and for all?**

"This is such a rich and wonderfully written series. Nicola Claire has created a complex world of vampires, and other supernatural beings, that feel so real you have to wonder if she isn't writing from experience. The characters are flesh and blood, the situations believable and impossible at the same time. Michel and Lucinda are a perfectly complex couple. I love this series and cannot wait to read more." ~ Kyra Dunst (Author of Severed Bonds)

"Again, a great story. From surprises to surprises, shock to resolution, separation to reunion. Ups and downs that make it so hard to put this book down!!" ~ Angarad (Goodreads #2 Top Reviewer/#25 Best Reviewer)

"I can't believe it. It seems like the books get better and better as the series goes on :) can't wait to read the next one." ~ Karina Treviño (Sweet Street Seducers Reviewer)

#### From the Author

The Kindred Series is an Adult Urban Fantasy/Paranormal Romance set in modern-day Auckland, New Zealand.

Kindred - "A sacred match, a suitable partner for a joining. To be a kindred there must exist a connection between the Nosferatu and their chosen; only those suitably compatible will be kindred to the other".

*At its heart, Kindred is a romance story, that just happens to feature sexy vampires, vampire hunters, and a kindred connection between the two never before seen. - Nicola Claire*

#### About the Author

Nicola Claire lives in beautiful Taupo, New Zealand with her husband and two young boys. She's tried her hand at being a paramedic, bank teller and medical sales representative, (not all necessarily in that order), but her love of writing keeps calling her back. She has a passion for all things supernatural, spiced up with a good dollop of romance - as long as they include strong characters, alpha males and capable females, and worlds which although make-believe are really quite believable in the end. There's nothing better than getting caught up in a compelling, intriguing and romantic book. When she's not writing or reading, she's out on her family boat at Lake Taupo, teaching her young boys to fish, showing them the beauty that surrounds them in nature and catching some delicious trout for dinner. Kindred has been a joy to write, creating a rich world with dynamic characters and paranormal twists that shock and awe has been pure bliss for this author. And just as well, because there's a lot more story yet to tell...
