More Forensics and Fiction: Crime Writers' Morbidly Curious Questions Expertly Answered (Marder and Mayhem) By D P Lyle

This compilation of medical and forensic science questions from crime writers around the world provides insight into medical and forensic science as well as a glimpse into the writer's creative mind. How do hallucinogenic drugs affect a blind person? Will snake venom injected into fruit cause death? How would you perform CPR in a helicopter? What happens when someone swallows razor blades? How long does it take blood to dry? Can DNA be obtained from a half-eaten bagel? D. P. Lyle, MD, answers these and many more intriguing questions. The book is a useful and entertaining resource for writers and screenwriters, helping them find the information they need to frame a situation and write a convincing description. TV viewers, readers who enjoy crime fiction, and those who want to know more about forensic science can keep up with the news and understand the science behind criminal investigation. From traumatic injuries to the coroner's office, the questions and answers are divided into five parts, making it a compendium of the incredible information that lies within the world of medicine and forensics.

Editorial Review

Review

"*More Forensics and Fiction* . . . is a wonderful book. . . . If you're the kind of writer who wants the technical details, Lyle provides them. But if you want an answer in English, he gives you that too." —Linda Faulkner

"Dr. Lyle's *More Forensics and Fiction* is the perfect prescription for a few hours of dark and delightful distraction from whatever ails you." —Lee Goldberg, Edgar-nominated author, the *Monk* mysteries and writer/executive producer, *Diagnosis Murder*

"*More Forensics and Fiction* is a gold mine. A must-own reference book for writers of all stripes." —Grant Blackwood, New York Times best-selling author, *The End of Enemies* and *The Wall of Night*

"D.P. Lyle is the best resource I know for a crime or mystery author. He's authoritative, clear, and extremely generous with his time. *More Forensics and Fiction* makes for fascinating—and terrifically morbid—reading." —C.J. Box, New York Times best-selling author, *Force of Nature*

"A good tool for any writer of suspense thrillers and mysteries. . . . If you are . . . curious about topics related to human life, sicknesses, injuries, and death, you will still enjoy the insight that D. P. Lyle brings." —www.EthanJones.blog.com

"Yet another absolutely fascinating exploration of the depths crime fiction authors plumb but could not do so without the brilliant medical and forensic expertise of D. P. Lyle, MD." —Zoë Sharp, author, *Charlie Fox* crime thriller series

"Lyle's latest entry in his fantastic Forensics for Writers collection is a must-have for any crime writer struggling to come up with an original and exciting way to commit murder." —P. J. Parrish, author, New York Times best-selling *Louis Kincaid* series

"What's more fun than reading a novel by one of your favorite mystery writers? Finding out how their minds work. Between curiously morbid questions (as they come up with intriguing ways to kill off characters and allow investigators to solve crimes) and the always interesting answers by D. P. Lyle, M.D., you have one fascinating book. I was intrigued from the first page to the last." —Robin Burcell, award-winning author,

The Bone Chamber
