The Books of Ember Omnibus By Jeanne Duprau

Bound together for the first time, the four books of the *New York Times* bestselling Books of Ember series are speculative fiction at its finest. The series begins with the groundbreaking dystopian novel *The City of Ember*, the story of a girl, a boy, and their beleaguered city. Through the sequel, *The People of Sparks*, the prequel, *The Prophet of Yonwood*, and the satisfying conclusion, *The Diamond of Darkhold*, author Jeanne DuPrau offers a vision of hope that, while sometimes flickering against the darkness, ultimately shines through, like the bright dawning of a new world.
