**Acorna's Rebels** By Anne / Scarborough, Elizabeth Ann McCaffrey

"Acorna's people, the Linyaari, have started to reclaim their homeworld from the ravages of the brutal alien Khleevi. But the expedition has unlocked a larger mystery about the origins of the Linyaari people - one that has led Aari, Acorna's lifemate, into a dangerous journey through time and space. Now Acorna, joined by Captain Becker, Mac, Nadhari, and RK, sets off on a mission to save her beloved Aari. But a crash landing brings the crew to the exotic jungle world of Makahomia, home of the mysterious Temple Cats. Beautiful and barbaric, Makahomia has been blockaded for years to protect itself - and the Federation. Racing to save the Temple Cats from a deadly disease, Acorna uncovers a plot to destroy the sacred felines and exploit Makahomia's people, and finds herself leading a small band of rebels determined to stop the conspiracy - a quest that takes them into the hidden sanctuaries of that world. But within one sacred shrine Acorna discovers shocking information that may lead to Aari...or to disaster."

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Ralph Garibay:**

Book is to be different for every single grade. Book for children right up until adult are different content. We all know that that book is very important for us. The book Acorna's Rebels had been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The book Acorna's Rebels is not only giving you considerably more new information but also for being your friend when you really feel bored. You can spend your own spend time to read your guide. Try to make relationship together with the book Acorna's Rebels. You never truly feel lose out for everything in the event you read some books.

##### **Tyron Lenahan:**

As people who live in the particular modest era should be change about what going on or facts even knowledge to make these people keep up with the era which can be always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to you actually is you don't know what type you should start with. This Acorna's Rebels is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

##### **Coleen Isabel:**

Information is provisions for folks to get better life, information nowadays can get by anyone in everywhere. The information can be a knowledge or any news even an issue. What people must be consider any time those information which is inside former life are hard to be find than now's taking seriously which one works to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Acorna's Rebels as the daily resource information.

##### **Frances York:**

Many people spending their time frame by playing outside with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book really can hard because you have to accept the book everywhere? It all right you can have the e-book, having everywhere you want in your Smart phone. Like Acorna's Rebels which is keeping the e-book version. So , try out this book? Let's view.
