Editorial Review

Review

REVIEW OF THE LAST EDITION

"This book belongs in the library of every practitioner who treats diabetic foot disorders. It will be a valuable resource for both generalists and specialists." ? *JBJS*

REVIEW OF THE CURRENT EDITION

"Readers will quickly note that the writing of this text is impressive: An incisive style (together with sharp editing and the inclusion of effective illustrations) coalesce to create a manual meant to aid in the direct care of patients (this multi-layered reference extending to a vast audience that includes orthopedists, endocrinologists, vascular surgeons, wound care specialists, podiatrists and home-health nurses)." -*The Electric Review, August 2008*

Users Review

From reader reviews:

Princess Bequette:
