Make Way for Dyamonde Daniel (A Dyamonde Daniel Book) By Nikki Grimes

"Dyamonde, a third grader, has "wild-crazy hair," is "skinnier than half a toothpick" and is more than equal to the challenge of entering the crowded field of confident grade school heroines."—*New York Times*

Dyamonde Daniel may be new in town, but that doesn't stop her from making a place for herself in a jiffy. With her can-do attitude and awesome brain power she takes the whole neighborhood by storm. The only thing puzzling her is the other new kid in her class. He's grouchy - but Dyamonde's determined to get to the bottom of his attitude and make a friend.

Editorial Review

From School Library Journal

Grade 2-3—What's the matter with the new boy? wonders third grader Dyamonde Daniel. Free always looks angry and never talks in class, only communicating in grunts. Dyamonde knows what it feels like to be new: her parents' divorce caused her to relocate from Brooklyn to Washington Heights. Yet her friendly overtures are rebuffed each time. When Free scares one of the little kids in the lunchroom, Dyamonde has had enough and confronts him about his grouchy behavior. It turns out that the classmates have much in common, including their unusual names and a longing for their old schools and friends. Dyamonde, smart, assertive, wild-haired, and skinnier than half a toothpick, is a memorable main character, though she sometimes sounds too mature for her years. Yet her actions and feelings ring true. Christie's illustrations flesh out the characters, and along with patterned page borders, contribute child appeal. This is a promising start to a new series of transitional chapter books; suggest it to readers who enjoyed Karen English's *Nikki & Deja* (Clarion, 2008), another early chapter book about the ups and downs of friendship between two African-American students.—*Jackie Partch, Multnomah County Library, Portland, OR*

From [Booklist](#)

Smart, confident Dyamonde sits in her third-grade classroom and wonders why she's been at her new school for weeks and still doesn't have a best friend. In walks Free, a new student who's so withdrawn and irritable that Dyamonde secretly names him Rude Boy. When plucky Dyamonde challenges Free, he begins to open up and slowly becomes a friend. Any child who is a "new kid" could benefit from contrasting the two main characters: Free tends to look backward to his old life and inward to his emotions, while Dyamonde looks forward to a new best friend and outward to the people and possibilities of her new neighborhood. Clean, direct prose and strong, clear characterizations make this an appealing early chapter book, while Christie's stylized, dynamic drawings give it a fresh look. A welcome addition to the steadily growing list of beginning chapter books with African American protagonists, this is a promising start for the Dyamonde Daniel series. Grades 2-4. --Carolyn Phelan
