### Editorial Review

#### Amazon.com Review

The first time I met Monsieur DuQuette, at a booksellers' convention in Los Angeles, he read my fortune with tarot cards. I was about to move, he predicted. Irritated, I huffed "that was ridiculous," I'd just moved into my boyfriend's house. When I arrived home from the convention, my aforementioned boyfriend told me he'd had a change of heart and would I please move out as soon as possible! The next time I sat down with DuQuette, at the same conference (several years later in Chicago), he regaled me with witticisms and stories. I was struck by his sincerity, self-revelation, and personable nature. This is the first time a true magician has written an autobiography since *The Confessions of Aleister Crowley*, and it's the next best thing to being able to sit with the charming and adept DuQuette. It's intimate, straightforward, and neither self-deprecating or egotistical. It contains excruciatingly honest revelations by a contemporary individual attempting to understand the universe and how it works. Here's a man who comfortably accepts himself and urges the reader to do the same. If you are not interested in magick, think of this as a fascinating autobiography. If you are, it's required reading. --P. Randall Cohan

#### From the Back Cover

Not since *The Confessions of Aleister Crowley* has a true magician told his own story. *My Life with the Spirits* is a rare glimpse into the fascinating, sometimes terrifying, sometimes hilarious world of a modern ceremonial magician. Hailed by critics as the most entertaining author in the field and one of the most widely respected members of the magick community, Lon Milo DuQuette gently draws you into the introspective world of the modern magician, tickles you with hilarious observations and self-effacing confessions, then (often in the same paragraph) slams you in the heart with breathtaking profundities.

DuQuette's most impressive quality is that in spite of his many accomplishments he doesn't take himself too seriously, which makes what he has to say all the more appealing. He's been through experiences that many Americans can relate to from his "agonizing years of Sunday School" and service as an altar boy, to riding the waves of the cultural revolution of the 60s. After sorting through an abundance of spiritual paths, he finally came upon one that resonated with him. By shedding light on his own development -- as a person and a magician -- DuQuette provides a beacon for aspiring magicians everywhere.

### Users Review

#### From reader reviews:

#### Sylvia Healey:

This book untitled *My Life With The Spirits: The Adventures of a Modern Magician* to be one of several books that will best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit upon it.
