Nova Express (Penguin Modern Classics) By William S. Burroughs

The diabolical Nova Criminals now include the nightmarish characters of Sammy the Butcher, Iron Claws, Izzy the Push and the Brown Artist, and are poised to wreak untold destruction on the world with their new-found control. Only Inspector Lee of the Nova Police has any chance of stopping them, by dismantling the word and image machine before it's too late. The third book of Burroughs's linguistically prophetic 'cut-up' trilogy - following *The Soft Machine* and *The Ticket That Exploded* - *Nova Express* is a hilarious and Swiftian parody of bureaucracy and the frailty of the human animal.

Editorial Review

About the Author

William S. Burroughs was born on February 5, 1914 in St Louis. In work and in life Burroughs expressed a lifelong subversion of the morality, politics and economics of modern America. To escape those conditions, and in particular his treatment as a homosexual and a drug-user, Burroughs left his homeland in 1950, and soon after began writing. By the time of his death he was widely recognised as one of the most politically trenchant, culturally influential, and innovative artists of the twentieth century. His numerous books include Naked Lunch, Junky, Queer, Nova Express, Interzone, The Wild Boys, The Ticket That Exploded and The Soft Machine. After living in Mexico City, Tangier, Paris, and London, Burroughs finally returned to America in 1974. He died in 1997.

Users Review

From reader reviews:

Pearl Sanders:

What do you ponder on book? It is just for students as they are still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't want do that.
