**The Clique** By Lisi Harrison

***Mean Girls* meets *Middle School* in *The Clique*... The only thing harder than getting in, is staying in.**

Enter Claire Lyons, the new girl from Florida in Keds and two-year-old Gap overalls, who is clearly not Clique material. Unfortunately for her, while they look for a new home, Claire's family is staying in the guesthouse of the one and only Massie Block -- Queen Bee of Octavian Country Day School. Claire's future looks worse than a bad Prada knockoff. But with a little luck and a lot of scheming, Claire might just come up smelling like Chanel No. 19.

Meet the rest of the Clique:

Massie Block - With her glossy brunette bob and laser-whitened smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day School, an exclusive private girls' school in Westchester County, New York. Massie knows you'd give anything to be just like her.

Dylan Marvil - Massie's second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes.

Alicia Rivera - As sneaky as she is beautiful, Alicia floats easily under adult radar because she seems so "sweet." Would love to take Massie's throne one day. Just might.

Kristen Gregory - She's smart, hardworking, and will insult you to tears faster than you can say "my haircut isn't ugly!"

## Editorial Review

From School Library Journal

Grade 5-8—Claire Lyons moves with her parents from Florida to wealthy Westchester County, NY. Until they can get settled, the family stays in the guest house of Mr. Lyons's college buddy, who happens to have a daughter who is also in seventh grade. Expected to welcome her, Massie instead chooses to make Claire's life miserable for no other reason than she's the new girl. Massie enlists her clique of friends at Octavian Country Day School, all part of the beautiful and popular crowd, to help with the harassment, which ranges from catty comments on Claire's clothes to spilling red paint on her white jeans in a conspicuous spot. Tired of it all, Claire tries to fight back, but then the abuse worsens. The book has trendy references kids will love, including Starbucks in the school, designer clothes, and PalmPilots for list making. However, this trendiness doesn't make up for the shallowness of the characters or the one-dimensional plot. Nor is the cruelty of the clique redeemed with any sort of a satisfying ending. The conclusion leaves one with the feeling that a sequel is in the works. Amy Goldman Koss's *The Girls* (Dial, 2000) shows the same cruelty of girls with a more realistic story and resolution.—*Diana Pierce, Running Brushy Middle School, Cedar Park, TX*

From [Booklist](#)

Gr. 5-8. Head-to-toe Calvin Klein is in. So is Ralph Lauren. Burberry is so out. And as for Claire's platform navy Keds and two-year-old, white Gap jeans--doesn't she know that clothes are like milk or cheese with a "best-before date" and a limited shelf life? Claire is clueless when she enters seventh grade, a newcomer and total outsider when it comes to [...] Massie's friends at an exclusive private girls' school. Massie leads her clique in humiliating [Claire] (including splashing those jeans with red paint to make it look like Claire has her period), and the instant messaging is very mean. It's also hilarious, especially because the viewpoints switch between the two [girls] and Claire gets her revenge--sort of. There's too much detail about how the superwealthy live, but Harrison, who writes for MTV, knows peer pressure, and her first novel has fun with the tyranny of brand names ("she was wearing . . ." is a constant). Buy this quickly, though, because the very specifics that teens will recognize will be "so out" before the year is over. *Hazel Rochman*
