While America Sleeps: How Islam, Immigration and Indoctrination Are Destroying America From Within By Wells Draughon

This book describes the practices and propaganda that are preparing the fall of America and guaranteeing that nothing will be done to stop it. Other books focus on one aspect of the problem; this book tells you the whole story. Other books give you rants and unsupported claims. This book presents documented facts but also tells the victims' stories, bringing you face to face with the human costs. When presenting misguided practices and anti-American ideology, the book lets the perpetrators hang themselves in their own words.
