### 101 Careers in Counseling By LMHC, ACS, Shannon Hodges PhD

"This excellent career guide will be valuable for students, young professionals, and those interested in a second career in counseling."

#### --Choice: Current Reviews for Academic Libraries

In these challenging times, this book is an essential resource that provides reference material, insights, encouragement and open doors. It may also serve well to remind readers of what their profession is really all about. **Illness, Crisis and Loss**

This comprehensive and easy-to-use guide is an invaluable resource to help you choose a rewarding counseling career that best suits your interests, strengths, and personality. Exploring a wealth of career opportunities in both traditional and non-traditional settings, including the most exciting emerging fields, this useful reference describes the many benefits found in the work of a professional counselor. Each career listing includes an overview, salary range, employment prospects, best and most challenging aspects of the job, and educational and licensing requirements. In addition, the book helps guide you through financing your education and the job search process. As a special feature, chapters include profiles of actual counselors and their work, providing an insightful insider's perspective on their profession.

#### Key Features:

- Explores 101 counseling careers, including careers in non-traditional and emerging fields
- Offers helpful career development tools such as checklists and questionnaires
- Includes salary range, employment prospects, and best and worst aspects of each job
- Provides guidance on educational requirements, licensure, and continuing education
- Highlights and profiles real-life counselors and their experiences

About the Author

**Shannon Hodges, PhD, LMHC, ACS**, is professor and coordinator of the Clinical Mental Health Counseling program at Niagara University. He has 20 years of counseling experience in community agencies, university counseling centers, and overseas. He is a former director of a university counseling center and clinical director of a county mental health clinic, and has another 10 years of experience in supervising collegiate living groups. He has 25 years of experience in teaching school counselors, mental health counselors, and undergraduate psychology students. He has authored numerous professional publications, including books, book chapters, journal articles, and essays. He has also served on the editorial review boards of several journals including the *Journal of Counseling and Development*, *Journal of Counseling and Values*, *Journal of Mental Health Counseling*, and *Journal of College Counseling*. He has received awards both for his teaching and for his writing. Dr. Hodges is a longtime member of the American Counseling Association (ACA), the American Mental Health Counselors Association (AMHCA), and several ACA affiliate divisions. His book *101 Careers in Counseling* is a popular text for counselors and those considering the counseling profession. His most recent mystery novel with a counselor as protagonist is *The Lonely Void: A Bob Gifford Counselor Mystery*. Shannon has taught and counseled overseas and made professional presentations on four continents and in numerous countries. When he is not teaching or writing, he enjoys reading, jogging, and traveling to remote areas of the globe. He and his wife, Shoshanna, live in historic Lewiston, New York.

## Users Review

From reader reviews:

**Eva Velasco:**

Now a day people that Living in the era everywhere everything reachable by match the internet and the resources inside can be true or not call for people to be aware of each information they get. How a lot more to be smart in having any information nowadays? Of course the answer is reading a book. Reading a book can help folks out of this uncertainty Information especially this 101 Careers in Counseling book because this book offers you rich details and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it you probably know this.

**Joe Stearns:**

The book 101 Careers in Counseling has a lot of information on it. So when you read this book you can get a lot of profit. The book was authored by the very famous author. Tom makes some research previous to write this book. That book very easy to read you will get the point easily after looking over this book.

**Julie Bell:**

This 101 Careers in Counseling is great book for you because the content which can be full of information for you who else always deal with world and have to make decision every minute. That book reveal it information accurately using great organize word or we can declare no rambling sentences within it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with lovely delivering sentences. Having 101 Careers in Counseling in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen moment right but this e-book already do that. So , it is good reading book. Hey Mr. and Mrs. active do you still doubt that?

**Mary Bunch:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this 101 Careers in Counseling can make you experience more interested to read.
