**Blaze (Phoenix Rising Book 2)** By Joan Swan

**With a man like him, every mission becomes personal. . .**

Ever since FBI agent Keira O'Shay started tracking a young boy named Mateo, she's felt a connection even her empathic abilities can't explain. She needs to save Mateo from the cult leader holding him hostage. Nothing can interfere with that--not even the reappearance of Luke Ransom, the hot-as-hell fire captain she's regretted walking out on for three long years.

Losing Keira left Luke vulnerable--in every way. When they were together, the powers each possesses were mysteriously enhanced. But it's the sexy, surprising woman beneath the tough exterior that Luke's really missed. Even if she betrayed him utterly. And even if agreeing to help her uncover a government conspiracy means watching his life and his heart go up in flames again. . .
