Captive (Entwined Fates Book 1) By Trista Ann Michaels

Series: Entwined Fates

Series Note: Captive is the prequel to Destined for Two.

Genre: Futuristic Science Fiction/Fantasy

Aliens? Attacking Earth?

Her home is being destroyed. Her friends killed. Her freedom taken away. Escape from the man or alien responsible is the only choice she has but deep down, it's the last thing Mikayla truly wants and she hates herself for it. Falling in love with her captor is not an option, despite how seductive he is. He might get her body, but she refuses to give him what he truly wanted...her soul.

How the hell has Sidious been talked into this and more importantly, how the hell is he going to get out of it?

The last thing he needs while working as a mole for the rebel forces is another complication, no matter how enticing a package. But the second Mikayla opens her sarcastic mouth, he can't resist putting her in her place. Seducing her's going to be the most fun he's had in years. Unfortunately, someone is onto his secret and time is running out...for both Sidious and his captive.

Publisher's Note: The first two titles of this series are available at another publisher. This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, dubious consent.
