Amazon Exclusive: A Letter to Readers from the Kardashian Sisters

Hi Dolls!

Thanks so much for checking out our book! *Dollhouse*, our first novel, may be fiction but we can promise it's just as crazy and fun-filled as our real lives. We had such an incredible time writing it!

It's the story of Kamille, Kassidy, and Kyle Romero—three beautiful, loving, and deeply loyal sisters who are the heart and soul of their family.

Overnight, one of the Romero sisters becomes famous—magazine-cover, fashion-icon, headline-making famous! Trailed by paparazzi, invited to every red carpet event, she sets a new standard for Hollywood royalty.

You'd think that all the glitz and the glamour would make life a breeze. But as the sisters painfully discover, being a celebrity in L.A.'s gilded dollhouse isn't all it's cracked up to be. Suddenly their problems are much bigger than sharing clothes and discussing crushes. Who knew that having a famous sister would bring up so many issues: jealousy, backstabbing friends, and paparazzi run-ins, to name just a few. As the sisters deal with their new lives, complete with a televised wedding, crazy nightclub parties, and forbidden stepsibling attraction, there's a huge secret that threatens to break even their tightest family bonds.

Kamille, Kassidy, and Kyle, our three fearless heroines, get to do and say the stuff only we can dream up. When you read *Dollhouse* try to figure out which one of us came up with which storylines! Are any truths disguised as fiction? We'll never tell.

xoxo,

Kourtney, Kim, and Khloé

From the Back Cover

Kourtney, Kim, and Khloé combine their truly scandalous imaginations with the secrets they know about life in the fast lane to bring you a book like nothing you've ever read before!

Nothing is more important than family. Just ask Kamille, Kassidy, and Kyle Romero, three beautiful, loving, deeply loyal sisters. Their mother has remarried and their new stepfather, a world-famous all-star baseball player, has come complete with two stepsiblings. Life in L.A. is pretty typical for this newly blended clan.

Then everything changes overnight when one sister becomes magazine-cover, fashion-icon, headline-making famous. Suddenly, new issues are complicating their lives: jealousy, backstabbing friends, fix-ups, plastic surgery, and paparazzi run-ins—not to mention a televised wedding, crazy nightclub parties, forbidden stepsibling attraction, and a huge secret that threatens to break even their tightest family bonds. The Romero sisters are about to painfully discover that being a celebrity in L.A.'s gilded dollhouse isn't all it's cracked up to be.

Users Review

From reader reviews:

Robert Prather:

Now a day people who Living in the era everywhere everything reachable by connect with the internet and the resources in it can be true or not demand people to be aware of each info they get. How a lot more to be smart in receiving any information nowadays? Of course the reply is reading a book. Looking at a book can help persons out of this uncertainty Information mainly this Dollhouse: A Novel book because book offers you rich information and knowledge. Of course the knowledge in this book hundred percent guarantees there

is no doubt in it you may already know.

Lorene Lord:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to invest your whole day by reading through a book. Ugh, ya think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Mobile phone. Like Dollhouse: A Novel which is obtaining the e-book version. So , try out this book? Let's notice.

Patrick Garcia:

Do you like reading a guide? Confuse to looking for your selected book? Or your book had been rare? Why so many issue for the book? But any kind of people feel that they enjoy for reading. Some people likes reading through, not only science book but in addition novel and Dollhouse: A Novel or perhaps others sources were given know-how for you. After you know how the fantastic a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those textbooks are helping them to put their knowledge. In additional case, beside science guide, any other book likes Dollhouse: A Novel to make your spare time more colorful. Many types of book like here.

Carlton Wood:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Dollhouse: A Novel can make you feel more interested to read.
