### Paper Rose (Hutton & Co. Book 2) By Diana Palmer

Her love for him was like a paper rose, which longed for the magic to make it real...

Compellingly handsome Tate Winthrop once boldly came to Cecily Peterson's rescue. Her devotion to him knew no bounds, but since the fiercely proud Native American refused to consider a mixed marriage, their passion remained unfulfilled. Shattered by Tate's rejection, Cecily had been forced to leave the man of her dreams.

Now she was back and destined to win. But when Tate becomes caught in the middle of a shocking political scandal, she realizes they need each other now, more than ever. And this time it is Cecily, a woman embarking on a brilliant career, who comes to his rescue and attempts to shield the man she loves from a devastating secret that could destroy his life....

## Editorial Review

Amazon.com Review

Setting: Contemporary Washington D.C. and South Dakota

Sensuality Rating: 8

Archaeologist Cecily Petersen has loved Tate Winthrop since she was a teen, but the handsome Native American refuses to consider a mixed marriage. Instead, he becomes her white knight, protecting her from an abusive stepfather and arranging college grants and housing. But when Cecily discovers that the "grants" were actually outright gifts from Tate, she's furious. Her anger shifts their relationship from friends to lovers and forces them both to confront deeply held convictions and fears. When Cecily learns of a political scandal that could threaten Tate, she's determined to shield him, even though she knows it's likely that he'll never forgive her for the necessary deception. With political scandal in D.C., nefarious shenanigans on the reservation, and sizzling passion between the hero and heroine, *Paper Rose* delivers everything Palmer's readers have come to expect and more. --Lois Faye Dyer

## Users Review

**From reader reviews:**

**Robert Black:**

The book Paper Rose (Hutton & Co. Book 2) can give more knowledge and information about everything you want. Why then must we leave the great thing like a book Paper Rose (Hutton & Co. Book 2)? Several of you have a different opinion about e-book. But one aim that will book can give many data for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or information that you take for that, you may give for each other; it is possible to share all of these. Book Paper Rose (Hutton & Co. Book 2) has simple shape but you know: it has great and large function for you. You can appear the enormous world by wide open and read a book. So it is very wonderful.

**Megan Martelli:**

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have do something to make them survives, being in the middle of the particular crowded place and notice through surrounding. One thing that at times many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive boost then having chance to stand up than other is high. **Catherine Riddle:**

Many people spending their moment by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to enjoy your whole day by studying a book. Ugh, do

you think reading a book will surely hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Paper Rose (Hutton & Co. Book 2) which is having the e-book version. So , why not try out this book? Let's see.

**Erin Harmon:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Paper Rose (Hutton & Co. Book 2) can make you experience more interested to read.
