"The target group according to the author is clearly enlightened animal owners, who want to know more about homeopathy and the way it can help their beloved pets. But in my views it is so much more." - Malene Jørgensen, *British Association of Homeopathic Veterinary Surgeons magazine*

"The author, long time veterinarian Wendy Jensen, was inspired to change her veterinary medicine practice after seeing the very real results yielded by a homeopathic approach to healing. This essential guide teaches you how to observe and evaluate your dog (or cat) and share these findings with your vet so you can work together to keep your special companion healthy." -- Connie Wilson, *Modern Dog, The lifestyle magazine for modern dogs and their companions*

"In this useful and educational book....you'll learn what information is helpful to your homeopath and what to expect after the remedy is given; how to observe your dog and report changes to your homeopath, and what to do to support your dog's own healing process. Along the way, Dr Jensen provides real case histories to illustrate the overall healing that can be achieved with homeopathy." - *Dogs Naturally Magazine*
