The Minister and His Greek New Testament By A. T. Robertson

"Ministers and seminarians need every encouragement they can get to not cut corners and to give themselves to the irreplaceable study of the Word of God in its original languages. This book is a classic, written by one who not only knew the Greek New Testament, but loved it. May ministers and men preparing for the ministry have the fire of love for the Greek New Testament re-kindled in their hearts. We need this reprint, and it needs to be in the hands of those who long to 'rightly divide the Word of Truth.' - Pastor William Shishko
