The Oxford Handbook of the French Revolution (Oxford Handbooks) From Oxford University Press

The Oxford Handbook of the French Revolution brings together a sweeping range of expert and innovative contributions to offer engaging and thought-provoking insights into the history and historiography of this epochal event. Each chapter presents the foremost summations of academic thinking on key topics, along with stimulating and provocative interpretations and suggestions for future research directions.

Placing core dimensions of the history of the French Revolution in their transnational and global contexts, the contributors demonstrate that revolutionary times demand close analysis of sometimes tiny groups of key political actors - whether the king and his ministers or the besieged leaders of the Jacobin republic - and attention to the deeply local politics of both rural and urban populations. Identities of class, gender and ethnicity are interrogated, but so too are conceptions and practices linked to citizenship, community, order, security, and freedom: each in their way just as central to revolutionary experiences, and equally amenable to critical analysis and reflection.

This volume covers the structural and political contexts that build up to give new views on the classic question of the 'origins of revolution'; the different dimensions of personal and social experience that illuminate the political moment of 1789 itself; the goals and dilemmas of the period of constitutional monarchy; the processes of destabilisation and ongoing conflict that ended that experiment; the key issues surrounding the emergence and experience of 'terror'; and the short- and long-term legacies, for both good and ill, of the revolutionary trauma - for France, and for global politics.

Editorial Review

Review

"This is an excellent volume with a consistently high level of contribution."-Neil Davidson, *H-France Review*

About the Author

David Andress, *Professor of Modern History, University of Portsmouth*

David Andress received his DPhil from the University of York in 1995, and has worked at the University of Portsmouth for the last twenty years. He has published widely on the French Revolution, from micro-studies of Parisian responses in 1789-91 to introductory textbooks, and from monographs to major syntheses and works of comparative history. His most recent major contribution was as editor of the volume *Experiencing the French Revolution* (2013).

Users Review

From reader reviews:

Patricia Rhee:

With other case, little persons like to read book The Oxford Handbook of the French Revolution (Oxford Handbooks). You can choose the best book if you want reading a book. So long as we know about how is important some sort of book The Oxford Handbook of the French Revolution (Oxford Handbooks). You can add understanding and of course you can around the world with a book. Absolutely right, since from book you can recognize everything! From your country until finally foreign or abroad you will end up known. About simple thing until wonderful thing you can know that. In this era, we are able to open a book or searching by internet unit. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's read.

Gerard Pucci:

Many people spending their time period by playing outside having friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by examining a book. Ugh, do you consider reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, having everywhere you want in your Mobile phone. Like The Oxford Handbook of the French Revolution (Oxford Handbooks) which is having the e-book version. So , try out this book? Let's observe.

Kenneth Jordan:

With this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become among it? It is just simple way to have that. What you need to do is just spending your time almost no but quite enough to possess a look at some books. Among the books in the top collection in your reading list is The Oxford Handbook of the French Revolution (Oxford Handbooks). This book which can be qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upward and review this publication you can get many advantages.

Heidi Garcia:

Do you like reading a book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many concern for the book? But any kind of people feel that they enjoy for reading. Some people likes reading, not only science book but in addition novel and The Oxford Handbook of the French Revolution (Oxford Handbooks) or maybe others sources were given expertise for you. After you know how the truly amazing a book, you feel wish to read more and more. Science guide was created for teacher or maybe students especially.
