## The Things I Love About Friends By Trace Moroney

There are so many things to love about friends — sharing ideas, interests, feelings, and fun times. It's important to learn how to be a good friend. This book in The Things I Love series by Trace Moroney celebrates the everyday situations that form the basis of our children's experiences. Spending time with your children and giving them love and care, helps them to celebrate who they are, building resilience and self-esteem.

### Editorial Review

#### About the Author

Trace Moroney is an internationally acclaimed children's author and illustrator. More than 3 million copies of her books have been sold worldwide, and they are translated into 16 languages. Her bestselling When I'm Feeling series and the phenomenally successful The Things I Love About series have been met with extraordinary enthusiasm. Focused on creating "books with a conscience," Trace Moroney embraces the principles of positive psychology. She lives in New Zealand.

### Users Review

#### From reader reviews:

##### Jerrod Spicher:

What do you with regards to book? It is not important along with you? Or just adding material when you really need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do this. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this specific The Things I Love About Friends to read.

##### Tony Jacobson:

In this era globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended for your requirements is The Things I Love About Friends this publication consist a lot of the information of the condition of this world now. This kind of book was represented how does the world has grown up. The dialect styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. That is why this book ideal all of you.

##### Coleen Isabel:

Many people spending their time by playing outside having friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book really can hard because you have to take the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like The Things I Love About Friends which is getting the e-book version. So , why not try out this book? Let's notice.

**Joyce Cannon:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Things I Love About Friends can make you truly feel more interested to read.
