From the Inside Flap

Fast, Frugal, and Functional Boat Improvements Anyone Can Make

When it comes to leading the weekend warrior through a boat-improvement project, nobody beats Don Casey. With his help, you can ratchet up your boat's appearance, safety, performance, and resale value while transforming it into the best-kept, most comfortable boat on the water.

Illustrated instructions will guide you every step of the way as you create:

- *Stowage conveniences such as locker baffles and drop-down bins
- *Creature comforts including companionway screens, a deckwash/shower, and a cockpit snack table
- *Boat-care aids like an engine oil-change pump and an anchor-chain scrubber
- *On-deck enhancements such as cockpit speakers, block silencers, and a cockpit chart board
- *And 90 other projects and grace notes that will improve your boat and your time aboard it

You need only simple tools and no special skills. Let 100 Fast & Easy Boat Improvements be your guide to a safer, more comfortable, and better-looking boat.

Don Casey is one of today's best and most trusted do-it-yourself boating writers. His seven books include the bestselling *This Old Boat* and *Sailboat Electrics Simplified*. He writes the long-running "Ask Don Casey" column for BoatUS.com and is a monthly columnist for Sailnet.com and a regular SAIL magazine contributor.

From the Back Cover

A Home Improvement Book Gone to Sea

Don Casey, the best-selling author of *This Old Boat*, has a gift for explaining boat maintenance tasks in visual terms. With clear writing and some 200 illustrations, Casey takes boatowners step-by-step through the 100 simplest, most practical projects he could find (and a few challenging ones, just for fun). Improve your boat's appearance, safety, comfort, and convenience, without any special tools or skills.
