Caine Black Knife (Acts of Caine Book 3) By Matthew Stover

In *Heroes Die* and *Blade of Tyshalle*, Matthew Stover created a new kind of fantasy novel, and a new kind of hero to go with it: Caine, a street thug turned superstar, battling in a future where reality shows take place in another dimension, on a world where magic exists and gods are up close and personal. In that beautiful, savage land, Caine is an assassin without peer, a living legend born from one of the highest-rated reality shows ever made. That season, Caine almost single-handedly defeated—and all but exterminated—the fiercest of all tribes: the Black Knives. But the shocking truth of what really took place during that blood-drenched adventure has never been revealed . . . until now.

Thirty years later, Caine returns to the scene of his greatest triumph—some would say greatest crime—at the request of his adopted brother Orbek, the last of the true Black Knives. But where Caine goes, danger follows, and he soon finds himself back in familiar territory: fighting for his life against impossible odds, with the fate of two worlds hanging in the balance.

Just the way Caine likes it.

From the Trade Paperback edition.

Editorial Review

From Publishers Weekly

Stover's third Caine novel (after 2001's *Blade of Tyshalle*) mixes a twisty plot with intense violence and a strong narrative voice. Caine—an otherworld warrior played by professional actor Hari Michaelson in a far-future reality show beamed home to entertain fans on Earth—returns to the Boedecken, the site of the battle that made his career. As he makes his way through the city, encountering spies, warrior-priests and assassins, he also wades through memories of the fight. The political machinations of the present-day story tend to detract from the tight, well-choreographed flashbacks. Stover has a gift for brutal, detailed action sequences, and Caine is at his most enthralling when he's fighting or discussing tactics, but the high levels of (occasionally creative) profanity and the cliffhanger ending may put off some readers. (*Oct.*)

Review

“Stover has conjured up a future out of the darkest dreams of Philip K. Dick. . . . The wildest sword and sorcery adventuring since Robert E. Howard’s mighty Cimmerian laid down his sword.”

—Christopher Rowley, author of the Bazil Broketail series, on *Heroes Die*

“Blends science, magic, and martial arts into an action-packed tale of adventure and heroism.”

—Library Journal, on *Blade of Tyshalle*

“Marvelous . . . Day of the Jackal meets Lord of the Rings.”

—Simon R. Green, author of *The Unnatural Inquirer*, on *Heroes Die*

From the Trade Paperback edition.

About the Author

Matthew Stover is perhaps best known for his four *Star Wars* novels, *Star Wars: The New Jedi Order: Traitor*; *Star Wars: Shatterpoint*; *Star Wars: Luke Skywalker and the Shadows of Mindor*; and the novelization of the movie *Star Wars Episode III Revenge of the Sith*. He has also written several fantasy novels, including *Iron Dawn* and *Jericho Moon*, and four science fiction/fantasy stories featuring a hero named Caine.

Users Review
