Soundscapes: Exploring Music in a Changing World (Third Edition) By Kay Kaufman Shelemay

Listening without boundaries? Total Access to the music of the world.

Music doesn't stop at the border, and neither should your textbook. This text gives students a global sense of music and its significance across cultures by introducing them to a diverse repertoire and developing listening skills applicable to *all* music. An accessible three-part model for listening—sound, setting, and significance—facilitates comparisons of various musical styles and meanings, and with Total Access, *Soundscapes* provides the digital resources students need to discover new music in a digitally connected world.
