The Fire from Within By Carlos Castaneda

Fire from Within is the author's most brilliant thought-provoking and unusual book, one in which Castaneda, under the tutelage of don Juan and his "disciples," at last constructs, from the teachings of don Juan and his own experiences, a stunning portrait of the "sorcerer's world" that is crystal-clear and dizzying in its implications.

Each of Carlos Castaneda's books is a brilliant and tantalizing burst of illumination into the depths of our deepest mysteries, like a sudden flash of light, like a burst of lightning over the desert at night, which shows us a world that is both alien and totally familiar -- the landscape of our dreams.
