Editorial Review

Review

Donald Keenes English translation of "Three Plays" doubles the number of theatrical pieces accessible to English-speaking audiences of one of the most intriguing late-twentieth-century writers. Coinciding with the recent death of Abe, these translations afford an opportunity for westerners to view more closely the works of an author who, although better known for his novels. . . . remained throughout his career a fervent theatrical experimenter.

Language Notes

Text: English (translation)

Original Language: Japanese

About the Author

Donald Keene is Shincho Professor of Japanese Literature and University Professor Emeritus at Columbia University.

Users Review

From reader reviews:

Brent Abramson:
