Trousdale Estates: Midcentury to Modern in Beverly Hills By Steven M. Price

Filled cover-to-cover with beautiful, vivid photographs, *Trousdale* is the definitive history of the architecture and design that defined both Beverly Hills and the ultimate American Dream.

Trousdale Estates is a 410-acre enclave of large, luxurious homes in Beverly Hills, California. Primarily developed in the 1950s and '60s, it quickly became famous for its concentration of celebrity residents and the unrestrained extravagance of its midcentury modern architecture. Often working with unlimited budgets, these designers created sprawling, elegant backdrops for the ultimate expression of the American Dream in the mid-to-late twentieth century. In *Trousdale*, Price explores the architectural backgrounds, details, and floor plans of the amazing homes, giving readers an inside view of the world-famous Beverly Hills style. Lavish new photography is interspersed with archival and historic images, illustrating the glamour of Trousdale both then and now.

Some of the architects of Trousdale include Lloyd Wright, Wallace Neff, Paul R. Williams, Harold Levitt, and A. Quincy Jones.

Editorial Review

About the Author

Steven Price is an author, producer, speaker, historian and preservation consultant based in Los Angeles. A native Angeleno, Steven came of age in the 1960s and '70s, a golden time and place for the architecture and design style later to be known as Mid-Century Modern.

After a nearly 20-year career in the entertainment industry, Price is now a recognized authority on the subject, with sold-out speaking engagements on the subjects of Trousdale Estates, developer Paul Trousdale, and Mid-Century Beverly Hills. He has briefed the Beverly Hills Cultural Heritage Commission on the history of Trousdale Estates and contributed to the list of Master Architects under the City's Historic Preservation Ordinance, enacted in 2012.

Users Review

From reader reviews:

Richard Ybarra:

What do you think of book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that issue above.
