### Angel City (The Angelus Trilogy) By Jon Steele

It's been almost three years since we left Detective Jay Harper and high-priced escort Katherine Taylor on the esplanade of Lausanne Cathedral, bruised and battered from a biblical showdown with the Nephilim. Katherine has retreated to small-town life in the woods of Washington State with her son, Max—and a close protection detail of heavily-armed, elite members of the Swiss Guard. Harper is living in Paris, haunted by voices in his head and bone-tired after what turns out to be two and a half million years on Earth.

Though Katherine and Harper have been prevented from remembering each other, baby Max has unwittingly stirred the interest of vengeful spirits—and only a worldwide (and cosmic) effort to save his life will bring Harper and Katherine together again.

Meanwhile, from the shadows steps a defrocked priest named Astruc, whose face looks as if it has been clawed by some terrible beast and who hides his eyes behind blue lenses. He and his brilliant young ward, Goose, have discovered something unfathomable in the Catacombs under Paris, something that will confirm that “the time of the prophecy” is at hand. . . .

Electrifying from its explosive first scene to its unexpected and shocking conclusion, *Angel City* reunites the unforgettable characters from *The Watchers* to reveal more of the earthly—and otherworldly—mysteries of the Angelus trilogy.

## Editorial Review

From [Booklist](#)

In *The Watchers* (2012), Steele introduced us to Katherine Taylor, a high-end escort, and Jay Harper, who awakens one day with no memory of his past life. Working security for the U.S. Olympic Committee, trying to find a missing athlete, Harper instead finds Katherine and then begins to remember things, things he has no idea how he could possibly know. This second novel picks up the characters' stories about three years after the end of *The Watchers*. Katherine is living in the U.S., quietly raising her son. Jay lives in France, still reeling from the mind-numbing discoveries he made in the previous book (including the revelation that he is apparently an angel). Does Jay have the spiritual strength to combat a new evil, one that could destroy the world? The first volume of a trilogy usually devotes substantial space to introducing characters, themes, story lines. Introductions completed, this second volume seriously ramps up the action: mysteries are explored but not yet fully explained, and the shocking final scenes are definitely intended to make us come back for the finale. Fans of *The Watchers* won't want to miss this one. --David Pitt

Review

"This second volume seriously ramps up the action: Mysteries are explored but not yet fully explained, and the shocking final scenes are definitely intended to make us come back for the finale. Fans of *The Watchers* won't want to miss this one." – **David Pitt, *Booklist***

"Steele's sequel to 2012's *The Watchers* does everything the middle of a trilogy should do.... a brutal cliffhanger... accessible to readers who missed the first book." – ***Publishers Weekly***

About the Author

Jon Steele is an award-winning journalist and author of *The Watchers*. Born in Spokane, he traveled the world, working as a cameraman for Independent Television News. After a twenty-year career, he wrote the critically acclaimed *War Junkie*. In 2008, he shot, co-wrote and co-directed *Baker Boys: Inside the Surge*, a documentary about an American combat unit in Iraq. *Angel City* is Steele's second novel. He lives in Switzerland.

## Users Review

**From reader reviews:**

**Frances Heath:**

As people who live in the modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know which one you should start with. This *Angel City (The Angelus Trilogy)* is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

**Johnnie McCormick:**

Reading a guide can be one of a lot of action that everyone in the world enjoys. Do you like reading book so.

There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new facts. When you read a reserve you will get new information simply because book is one of various ways to share the information or even their idea. Second, looking at a book will make you more imaginative.
