Editorial Review

Amazon.com Review

How does Harry feel about being left behind when the other students go to Hogsmeade?

Why doesn't Azkaban need walls to keep in prisoners?

What would you say to someone in a Howler if you were really angry with him or her?

With probing, thought-provoking questions like these, the literature guide for *Harry Potter and the Prisoner of Azkaban* encourages students to explore the complexities of J.K. Rowling's extraordinarily popular Harry Potter series. The lightweight 18-page booklet is divided into chapter groupings, with summaries, discussion questions, activities, and lessons in comprehension and recall, vocabulary, and themes. Cross-curricular activities in literature, science, art, math, and more guide children to discover the origins (and significance) of Professor Remus Lupin's name, assign monetary values to each of the coins Harry Potter and his wizard friends use, and design signs for the shops in Hogsmeade. Reproducible handouts and a colorful poster provide more educational opportunities for educators who choose to seize this huge, unique teaching moment for their students. (Ages 8 to 11) --*Emilie Coulter*

Users Review

From reader reviews:

Jessie Lloyd:

This Harry Potter and the Prisoner of Azkaban with Poster (Scholastic Literature Guides (Harry Potter)) book is just not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book will be information inside this e-book incredible fresh, you will get data which is getting deeper anyone read a lot of information you will get. That Harry Potter and the Prisoner of Azkaban with Poster (Scholastic Literature Guides (Harry Potter)) without we understand teach the one who reading through it become critical in imagining and analyzing.
