## Holland By Charlotte Dematons

Holland – a land full of surprises, strange traditions, free-spirited people and a rich history.

Charlotte Dematons, known for her well-loved picture book *The Yellow Balloon*, grew up in France, but moved to the Netherlands to study art as so many have before her. With the eye of an outsider but a warm heart for the country that became her new home, Charlotte Dematons paints with a keen eye for the detail for everything that makes The Netherlands so Dutch.

It's easy to see how New York was first New Amsterdam when delving into modern-day Holland. The idiosyncrasies that make Holland so unique are revealed: from pensionada in unisex rain jackets on their bikes to a grandmother with her walker, skating on the ice, between the scenes of Avercamp, Bruegel and Bosch – and of course the multicultural Dutch society revealed and celebrated with wit and warmth.

Also Available: *Holland* and *1000 Things About Holland* set (picture book hardcover with accompanying paperback) \$29.95. *1000 Things About Holland* explains all the details of every amazing picture, making this book both an I Spy book and an armchair travel guide for anyone already fond of this small country of tulips, windmills and so much more.
