Mules and Men (P.S.) By Zora Neale Hurston

Mules and Men is a treasury of black America's folklore as collected by a famous storyteller and anthropologist who grew up hearing the songs and sermons, sayings and tall tales that have formed an oral history of the South since the time of slavery. Returning to her hometown of Eatonville, Florida, to gather material, Zora Neale Hurston recalls "a hilarious night with a pinch of everything social mixed with the storytelling." Set intimately within the social context of black life, the stories, "big old lies," songs, Vodou customs, and superstitions recorded in these pages capture the imagination and bring back to life the humor and wisdom that is the unique heritage of African Americans.

One could almost accuse Ruby Dee of being a witch doctor. Her narration of this seminal collection of black American folklore is nothing short of extraordinary. Using varying accents and dialects of the Deep South (Eatonville, Florida), she tells stories, she interrupts, she cuts up, she teases, she banters--she inhabits, not mere characters, but groups of characters--friends and neighbors gathered on the porch, in the dance hall, in a card game, hanging around the country store. Her off-the-beat vocal rhythms and prodigious energy create a narrative drive that propels the listener. And the stories are a treasure--traditional tales, explanatory tales, jokes and one-upmanship contests--here are ordinary people finding joy and comedy in everyday experience. As later African-American literature became increasingly militant, Hurston was accused of turning black experience into a minstrel show. But her accomplishment, unappreciated for fifty years, was in revealing so intimately and eloquently how these people made it through their days--and nights. E.K.D.
