Editorial Review

About the Author

Hector Malot (1830-1907) was a French writer born in La Bouille, Seine-Maritime. He studied law in Rouen and Paris, but eventually literature became his passion. He worked as a dramatic critic for Lloyd Francais and as a literary critic for "L'Opinion Nationale." His first book, published in 1859, was "Les Amants." Malot eventually wrote more than 70 books. By far his most famous book is "Sans Famille" ("Nobody's Boy," 1878), which deals with the travels of the young orphan Remi, who is sold to the street musician Vitalis at age 10. "Sans Famille" gained fame as a children's book, though it was not originally intended as such. He announced his retirement as an author of fiction in 1895, but in 1896 he returned with the novel "L'amour Dominateur" as well as the account of his literary life "Le Roman de mes Romans" (The Novel of my Novels).

Users Review

From reader reviews:

Loren Parker:

As people who live in the modest era should be upgrade about what going on or info even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to you actually is you don't know which one you should start with.
