Okay, where was this book when my boys were young? This book is so much more than its title. In addition to being a one-of-a-kind resource of valuable information, it helps boys see how practical God's word is for the real issues of life and it provides a unique opportunity for strengthening the father/son relationship during a critical period of life. It's realistic, practical, humorous and answers the most delicate and difficult questions in ways that are honest and make sense. This book is an investment and I promise you that it is a book you and your son will read again and again. Gary J. Oliver, Th.M., Ph.D. Professor of Psychology and Practical Theology John Brown University -- Gary J. Oliver, Executive Director
