### Editorial Review

#### Review

"This irrepressible read-aloud will have the audience shouting directions at the poor hapless Prince." -*Kirkus*

"Filled with puns and lively wordplay, the rhyming plays off traditional plot elements, and readers familiar with the original will enjoy making comparisons." --*School Library Journal*

"The creators of *Falling for Rapunzel* offer another creatively warped version of a familiar tale, again pairing chipper rhymed couplets with dynamic mixed-media art. . . . A surprise ending will leave readers thoroughly roused." --*Publishers Weekly*
