Dad, If You Only Knew...: Eight Things Teens Want to Tell Their Fathers (but Don't) By Josh Weidmann, James Weidmann

Listen Up, Dads! Your Teen Is Talking to You! As exasperating as parenting can be during these volatile years, your teen is depending on you for steady faithfulness, love, and guidance. And because teens often find words elusive and expression difficult, they probably haven't told you the things they wish you somehow automatically knew. So let Dad, If You Only Knew... be your guide. Josh Weidmann, just out of the teen years himself, joins his father, James, to help dads understand where their kids are coming from. It's a messy world they live in, and meeting them in it is no simple task. But knowing these essentials now makes fatherhood eight times easier!
