Editorial Review

From [Booklist](#)

This graphic novel serves as a comic prequel to the critically acclaimed video-game trilogy of the same name. Humans have inhabited space, and in their flight across the stars one colony has discovered the mysterious “marker,” a symbol of reverence and prophecy in the church of Unitology and source of controversy among the spaceship’s crew. As ghostly shades of dead colonists appear on the ship, the story takes a dark turn and writer Johnston (*Wasteland*) descends into the chilling corridors of comic horror. While the story is robust, the true flavor comes from the art of the talented Templesmith (*30 Days of Night*). From jarring splash pages to tightly cut action panels, his breadth and scope for the page are masterful; his character designs channel Jeff Lemire; while the deep blacks juxtaposed with bright reds recall Alex Maleev. Using a rich mythology to great advantage, the creators expand the possibilities of the space-horror genre. Maybe in space, everyone can hear you scream. --Ben Spanner

Review

"Writer Antony Johnston fashions a tense, thought-provoking story laced with bucketfuls of gore. Artist Ben Templesmith’s style – scratchy and chaotic with an almost unfinished feel, the direct antithesis to the hyper-realistic style of many of his peers – has never been my favorite, but it absolutely works here, adding to the hectic pace of the story. *Dead Space* is a totally engaging off-world adventure, and an excellent introduction to the series as a whole." – *FearNet*

“I would highly recommend that any *Dead Space* or comic book fan pick up a copy.” – *Examnier*

About the Author

Antony Johnston is a British author and comic book writer. A frequent collaborator with Alan Moore, he has adapted numerous Moore prose works into graphic novels (including *THE COURTYARD*, *ANOTHER SUBURBAN ROMANCE*, and *HYPOTHETICAL LIZARD*, among others) and expanded upon ideas originally conceived by Moore with the horror series *YUGGOTH CREATURES* and *NIGHTJAR*. Johnston is also the creator of the apocalyptic comic book series *WASTELAND* and has written *DAREDEVIL* for Marvel Comics.
