Guests of the Sheik: An Ethnography of an Iraqi Village By Elizabeth Warnock Fernea

A delightful, well-written, and vastly informative ethnographic study, this is an account of Fernea's two-year stay in a tiny rural village in Iraq, where she assumed the dress and sheltered life of a harem woman. This volume gives a unique insight into a part of the Middle Eastern life seldom seen by the West.

"A most enjoyable book about [Muslim women]--simple, dignified, human, colorful, sad and humble as the life they lead." --Muhsin Mahdi, Jewett Professor of Arabic Literature, Harvard University.
