Ill Wind (Weather Warden, Book 1) By Rachel Caine

Someone's finally doing something about the weather...in the first in this series by the *New York Times* bestselling author of *Ink and Bone* and the Morganville Vampires series.

It's "A FUN READ" (Jim Butcher) from "A FIRST-CLASS STORYTELLER" (Charlaine Harris)...

The Wardens Association has been around pretty much forever. Some Wardens control Fire, others control Earth or Water or Wind—and the most powerful can control more than one. Without wardens, Mother Nature would wipe humanity off the face of the earth...

Joanne Baldwin is a Weather Warden. Usually, all it takes is a wave of her hand to tame the most violent weather. But now, Joanne is trying to outrun another kind of storm: accusations of corruption and murder. So, she's resorting to the very human tactic of running for her life...

Her only hope is Lewis, the most powerful warden known. Unfortunately, he's also on the run from the Council. It seems he's stolen not one but *three* bottles of Djinn—making him the most wanted man on earth. And without Lewis, Joanne's chances of surviving are as good as a snowball in—well, a place she may be headed. So, she and her classic Mustang are racing hard to find him—because there's some bad weather closing in fast...

“[*Ill Wind*'s] forecast calls for murder, mayhem, magic, meteorology—and a fun read. You'll never watch the Weather Channel the same way again.”—Jim Butcher, bestselling author of *The Dresden Files*

Rachel Caine is the author of several bestselling series, including the Revivalist and Outcast Season novels. Among her many popular novels are *Daylighters*, *The Dead Girls' Dance*, *Terminated*, and *Black Dawn*.

Editorial Review

From [Booklist](#)

Joanne Baldwin is a weather warden, who can control the weather and keep it from being more chaotic and destructive than it already is. She is on the run, though, for she is accused of killing a senior warden, which she did, sort of: a thread of corruption runs through some of the most powerful wardens, one of which put a Demon Mark on her and then died. Her only hope now is to get a djinn from her old friend Lewis, who stole three of them from the council of the wardens many years ago. As she runs, she picks up a hitchhiker who knows things an ordinary person wouldn't, and who offers help. With djinns and other wardens, including those sent to arrest her, all giving her conflicting information, Joanne never quite knows whom to trust in this romantic escapist romp rife with danger, excitement, and even classic cars. *Regina Schroeder*
