Unleash Your Inner Company: Use Passion and Perseverance to Build Your Ideal Business By John Chisholm

Discover Your Unique Advantages--Shape and Grow Them into a Successful Business

Unleash Your Inner Company provides an innovative, proven, step-by-step process for anyone who aspires to start and grow their own business. Author John Chisholm--president of the worldwide MIT Alumni Association--brings an insider's view that distills three decades of successful, serial entrepreneurship in Silicon Valley. His book combines practical principles, entertaining anecdotes, deep insights, challenging exercises, and illuminating graphics to guide the reader in conceiving, designing, building, testing, and scaling up the ideal business for them.

Many books address passion in startups; only this book shows how to turn passion and perseverance into a loop of increasingly positive results. Aspiring entrepreneurs have more resources than they realize; *Unleash Your Inner Company* helps them discover those advantages. Readers learn how to accelerate their learning and how different is better than better. The book also advises the reader on what to look for in a cofounder, how to avoid competitors, when best to raise money, and what they can learn from Apple, Google, Facebook, Uber, and Pinterest.

Unleash Your Inner Company is the only book the reader will need, regardless of their background, industry, or continent, to start the business that best fits their skills, passions, goals, and opportunities--in short, the right business to start now.
