Winning A Debate With An Israel-Hater: How to Effectively Challenge Anti-Israel Extremists in Your Neighborhood By Dr. Michael Harris

It often happens in the middle of an otherwise pleasant day -- you're shopping, or walking across a college campus, and you encounter *them*. They're holding signs that claim Israel is an "apartheid state" and charge Israel with committing "genocide" against Palestinians. They're calling for boycotts against Israeli products, and divestment from companies that do business with Israel.

You know supporting Israel is the right thing to do. And you're not alone. For decades, polls have shown a large plurality, usually a majority, of Americans back Israel. But here's the problem: you don't know how to respond – or if you even should – to these Israel haters.

That's where this book comes in. Imagine some of the key points from Alan Dershowitz's authoritative volume, *The Case For Israel*-- as it might be delivered by Bill Maher. All the information you need in this street fight of words, but delivered in a light and accessible way, with satirical humor. So the next time you encounter a group of Israel-hating extremists, you'll be armed with the facts – and the techniques to apply them with skill and confidence.

Editorial Review

About the Author

Dr. Michael Harris is one of the founders of San Francisco Voice for Israel, which is now the Bay Area chapter of StandWithUs. Founded in 2004, SF Voice for Israel has countered anti-Israel demonstrations, to provide the public and the media with an alternative to the lies being promoted by organizations such as International ANSWER and Jewish Voice for Peace. It has also done proactive public outreach at community events and brought pro-Israel speakers to the Bay Area. As part of StandWithUs, founded in 2001, the group is now part of a worldwide Israel education organization with chapters across the US as well as in Europe and Australia.

In his role with the group, Dr. Harris has made appearances on radio shows (both in the US and in Israel) and television news reports as a local spokesperson, countering misinformation about Israel. He's given speeches to large groups at synagogues, churches, political organizations and senior citizen centers throughout the San Francisco Bay Area. In addition, he's been in the trenches, standing up for Israel against anti-Israel demonstrators on the streets of San Francisco and Oakland for nearly a decade. In his spare time, he is a pediatrician in Marin County, California.
