Editorial Review

From School Library Journal

Grade 10 Up Based on the popular series of zombie horror/action films, this book follows the subsequent adventures of Selena, one of the few survivors of the zombie plague infecting the UK. When a team of American journalists interested in reporting on the devastation in London attempts to hire her as a guide, she agrees, against her better judgment. Their plan to sneak into the quarantined British Isles goes awry, and soon they find themselves running from both hostile U.S. military forces and ravenous zombies. Although the artwork is excellent and the action well depicted (quite gruesomely so), this volume suffers from an occasionally predictable plot. Likewise, the characters are so broad and obvious (the journalists are depicted as amazingly smug and deluded, and Selena is hard-boiled to the point of being obnoxious) that it's difficult to connect with them. At one point, readers are nearly ready to root for the zombies. Still, there are enough cliff-hangers and spine-chilling moments that one can overlook the dearth of character development. This title is best suited as a supplemental purchase for a general graphic-novel collection in need of a solid horror work. The tie-in with the popular movie series is bound to find interested teens. *Dave Inabnitt, Brooklyn Public Library, NY*

Studios is his North American debut.

Users Review

From reader reviews:

James Sandifer:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the storyline that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their proficiency in writing, they also doing some study before they write to their book. One of them is this 28 Days Later Vol 1: London Calling.

William Powell:

People live in this new morning of lifestyle always try and and must have the extra time or they will get great deal of stress from both way of life and work. So , if we ask do people have extra time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you

have when the spare time coming to an individual of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, the book you have read is actually 28 Days Later Vol 1: London Calling.

Ariane Gray:

Playing with family within a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love 28 Days Later Vol 1: London Calling, it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't understand it, oh come on its named reading friends.

Tina Alley:

In this era globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to your account is 28 Days Later Vol 1: London Calling this guide consist a lot of the information in the condition of this world now. This specific book was represented just how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. Often the writer made some investigation when he makes this book. That is why this book acceptable all of you.
