Cunt: A Declaration of Independence Expanded and Updated Second Edition By Inga Muscio

An ancient title of respect for women, the word “cunt” long ago veered off this noble path. Inga Muscio traces the road from honor to expletive, giving women the motivation and tools to claim “cunt” as a positive and powerful force in their lives. In this fully revised edition, she explores, with candidness and humor, such traditional feminist issues as birth control, sexuality, jealousy between women, and prostitution with a fresh attitude for a new generation of women. Sending out a call for every woman to be the Cuntlovin' Ruler of Her Sexual Universe, Muscio stands convention on its head by embracing all things cunt-related. This edition is fully revised with updated resources, a new foreword from sexual pioneer Betty Dodson, and a new afterword by the author. “Bright, sharp, empowering, long-lasting, useful, sexy....”—San Francisco Chronicle “... Cunt provides fertile ground for psychological growth.”—San Francisco Bay Guardian “Cunt does for feminism what smoothies did for high-fiber diets—it reinvents the oft-indigestible into something sweet and delicious.”—Bust Magazine

Editorial Review

From Publishers Weekly

Somewhere between Valerie Solanas's bitter SCUM Manifesto and Eve Ensler's fanciful *The Vagina Monologues* lies this self-indulgent exercise in feminist reclamation. Striving to remove the negative connotations from a word usually used as a scathing insult, Muscio traces the history of the term "cunt" and asserts that it was once a term of respect before the patriarchy turned it into a profane, misogynistic epithet. This transformation, she insists, occurred as part of a conspiracy to make women feel a sense of self-loathing and uncleanness; only by reconnecting with love for their genitalia can women achieve personal and political power. Muscio muddles her work with rambling digressions, including those about utilizing sea sponges instead of tampons during menstruation, using herbal tea and visualization in order to miscarry an unwanted fetus and identifying with Imelda Marcos. What insights the book does provide must be discerned beneath Muscio's jarring prose, which fluctuates between the academic and the colloquial, sometimes in the same paragraph. On responses to her manuscript, she writes, "Reactions to a book called Cunt always lead to an intense grilling. Ain't never encountered ambivalence." Although this work may constitute a move toward women's acceptance of themselves and their bodies, it is a very small step. Agent, Leigh Feldman. Copyright 1998 Reed Business Information, Inc.

Users Review

From reader reviews:

Mary Richards:

Reading can called mind hangout, why? Because when you are reading a book particularly book entitled *Cunt: A Declaration of Independence Expanded and Updated Second Edition* your brain will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely can become your mind friends.
