## I Will Teach You To Be Rich By Ramit Sethi

At last, for a generation that's materially ambitious yet financially clueless comes *I Will Teach You To Be Rich*, Ramit Sethi's 6-week personal finance program for 20-to-35-year-olds. A completely practical approach delivered with a nonjudgmental style that makes readers want to do what Sethi says, it is based around the four pillars of personal finance— banking, saving, budgeting, and investing—and the wealth-building ideas of personal entrepreneurship.

Sethi covers how to save time by not wasting it managing money; the guns and cars myth of credit cards; how to negotiate like an Indian—the conversation *begins* with "no"; why "Budgeting Doesn't Have to Suck!"; how to get things rolling—for real—with only \$20; what most people don't understand about taxes; how to get a CEO to take *you* out to lunch; how to avoid the Super Mario Brothers trap by making your savings work harder than you do; the difference between cheap and frugal; the hidden relationship between money and food. Not to mention his first key lesson: Getting started is more important than being the smartest person in the room.
